William Wirtz

PRESIDENT

When the Wirtz family purchased the Chicago Blackhawks in 1954, it acquired a team rooted in last place. William Wirtz, a 1950 graduate of Brown University, took his place along with father Arthur M. Wirtz and brother Michael in the reshaping and redevelopment of a once proud franchise. He became President of the club in 1966. Auspiciously, in his first year as President, the Chicago Blackhawks finished tops in their division for the first time in team history. Since that 1966-67 season, the team has recorded 947-784-311 for a .5619 winning percentage, 13 divisional titles, and a string of 23 consecutive playoff appearances. In only one of the years since 1967 did the team not qualify for playoff competition.

The man whom *Inside Hockey* called the most respected Governor in the National Hockey League, William Wirtz was elected nine times as Chairman of the NHL Board of Governors. Having served eighteen years, he stepped down following the 1991-92 season. Among the accomplishments during his tenure as Chairman: the merger of the WHL with the NHL in the late 1970's, the further expansion of the League, the entry of European players into the League - all actions which have long-range ramifications. Former NHL President John Ziegler stated, "No other owner has been as significant in the development of this league." Known as a man of his word, William Wirtz has been called "the best chairman we have ever had" by Norm Green, owner of the Minnesota North Stars. On the Board of Governors, Wirtz presently sits on the broadcast, finance, and audit committees. In addition, he co-chairs the expansion, player-relations, and compensation committees.

His achievements have been recognized: induction into the Hockey Hall of Fame in 1976; the reception of the Lester Patrick Trophy in 1978, (both honors also accorded his father); induction into the United States Hockey Hall of Fame in 1985; and the respect of his peers as a "natural leader."

Wirtz served on both the 1980 and 1984 Winter Olympic Committees. For the last several years, he has hosted in Chicago Stadium the final games of the Illinois Amateur High School Hockey Association Championship.

Presently Wirtz is deeply involved in the construction of a new stadium, along with partner Jerry Reinsdorf of the Chicago Bulls, to replace the "old barn on Madison Street" which was built in 1929 and became family property in 1936. Having grown up with the present Stadium, he loves the old building but recognizes the economic need which a new building can meet with its state-of-the-art designs. Remaining competitive in an era of escalating salaries calls for a farsighted approach. Balancing the corporate skybox along with the individual season ticket holder is not an easy task for a man who views that ticket holder as the most important part of a sports franchise.

Outside hockey Wirtz, 62, maintains several enterprises with the authority and responsibility shared by other family members. "We are a close family," he says. "It has always been the family first, business second and nothing else third."

William Wirtz has always been concerned for others not so fortunate. He has been a leader in the support of Maryville Academy, the largest residential child-care facility in Illinois. His late wife, Joan Roney Wirtz, founded the Women of Maryville in 1979 to establish a scholarship fund to benefit Maryville youth. His contributions to the Virginia Wadsworth Wirtz Wheelchair Sports Program at the Rehabilitation Institute of Chicago are well recognized.

In addition he is a Past Chairman of the Prairie State Games (Illinois 1984/85), and he presently serves as Trustee for the Chicago Latin School Foundation.

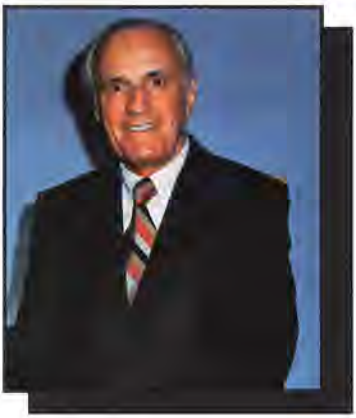
Arthur Michael Wirtz

EXECUTIVE VICE PRESIDENT

The title of Vice President has been carried easily on the broad shoulders of Michael Wirtz since 1958. In the restructuring of the Blackhawk organization prior to the 1990-91 season, Michael was elevated to the position of Executive Vice-President. As a graduate of the Wharton School of Commerce of the University of Pennsylvania, Michael has been a valuable asset to the Chicago Blackhawks with his knowledge of business and his love of hockey. In his role as Executive VP, he works closely with Vice President Tommy Ivan and his brother William in handling all hockey problems, especially the business aspects that arise on a daily basis concerning the Chicago Stadium.

Mike has also shown his dedication to the sport in helping coach youngsters playing at the Glenview Ice Arena.

Mike, his wife Sunny, and their three children, Laura, Arthur III, and Jimmy, reside in the northern suburbs. A visitor there can see the third love of Michael's life besides family and business: gardening. He also spends time each day in his greenhouse. If you want to get Mike talking, ask him about his roses.



Thomas N. Ivan

VICE PRESIDENT

One of the most respected and knowledgeable people in the world of hockey, Tommy Ivan has served for over 50 years in nearly every capacity the game has to offer. In his book, *Hockey's 100*, Stan Fischler lists him among the Ten Best Coaches *and* Ten Best General Managers in the history of the NHL.

Tommy began his hockey career with the Detroit organization. About his early days in junior hockey in Ontario, through his first pro coaching job with Omaha in the Central League where one of his young prospects was a lad named Gordie Howe, he states: "Every memory is a pleasant one." His biggest thrill was winning that first Stanley Cup with Detroit.

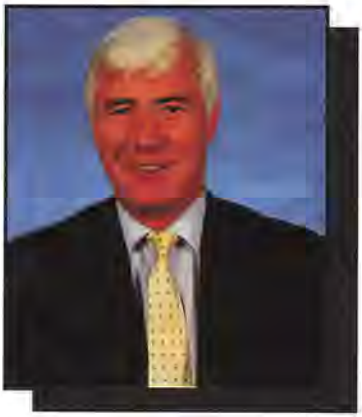
Tommy entered the Chicago Blackhawk's organization in 1954 after having won six straight league championships and three Stanley Cups as coach of the Detroit Red Wings. With the Hawks in danger of total collapse, Tommy accepted the challenge to rebuild the franchise into a solid and stable competitor. His rebuilding of the Hawk farm system, drafting of players, and strengthening of team spirit led to a Stanley Cup Championship in 1961, and a club that reached the Finals in 1962, '65, '71, and '73.

In 1974 Thomas N. Ivan was inducted into the Hockey Hall of Fame. The following year, 1975, he received the Lester Patrick Trophy for "outstanding service to hockey in the United States." He has since been named Chairman of the United States Hockey Hall of Fame and is also on the selection committee of the Hockey Hall of Fame.

As Chairman of the organizing committee for the 1978-79 Olympic Hockey Festival, Tommy and his committee were instrumental in bringing more than 90 players together for Coach Herb Brooks and his staff. That "miracle" team went on to win the Gold Medal at the 1980 Winter Olympics in Lake Placid, New York.

After serving as Blackhawk General Manager for 25 years ("One of the best in the business," says Phil Esposito), Tommy became Vice President and Alternate Governor and has served in those capacities for the last 13 years.

Another sign of the respect and admiration the NHL has for Tommy Ivan appeared in the Program/Magazine for the 1991 All Star Game held in Chicago. The publication was dedicated to the memory of Dorothy Ivan, whose "love and courage was an integral part of his achievement."



Robert J. Pulford

SENIOR VICE PRESIDENT

Bob Pulford has excelled at every aspect the game of hockey offers: Player, Coach, General Manager. In his professional career which began in 1956, Pulford collected 643 points (281 goals, 362 assists) in 1,079 games. With the Toronto Maple Leafs in their glory-days of the Sixties, Pulford earned a Stanley Cup ring in the 1961-62, 1962-63, 1963-64, and 1966-67 seasons. Known as an outstanding penalty killer, he registered four 20-or-more goal seasons and was an NHL All-Star six times. To this date he ranks among the Maple Leafs' Top Ten in goals, assists, points, and games played.

After his playing days, Pulford accepted the position of Head Coach with the Los Angeles Kings. The team developed rapidly under his direction, and in 1974-75 the Kings posted a 42-17-21 record for 105 points. For his efforts, Pulford was named NHL Coach of the Year.

Following five successful seasons in L.A., Pulford joined the Chicago Blackhawks on July 6, 1977, accepting a new challenge, as he became Head Coach and General Manager. He promptly led the Blackhawks to a first place finish in the Smythe Division and again earned the honor of being named Coach of the Year as voted by the *Hockey News.* Twice after relinquishing his coaching position to concentrate on management, Pulford reassumed the coaching role in mid-season to revive a struggling Hawk team. The Chicago Blackhawks have won eight division titles with Pulford as General Manager and Coach, and the team made the Playoffs in each of his 15 seasons with the Hawks. Pulford has posted a 336-305-130 record as an NHL Coach.

In June of 1990 President William Wirtz of the Chicago Blackhawks appointed Bob Pulford the club's Senior Vice President. This position allows him more input into the business and marketing aspects of the team - both essential facets of any sports franchises in the coming decade. Although this may seem incongruous to the ordinary fan, those close to him are well aware of his attention to detail. Without a hockey career, he states, "I probably would have been a lawyer."

This may help explain Pulford's extensive role in developing the National Hockey League's early collective bargaining agreements. In 1967, Bob Pulford became the NHL's first Player Union President. Today, he plays a key role acting as Alternate Governor for the team and sitting on the advisory committee to league ownership.

Pulford's accomplishments have not gone unrecognized. On June 21, 1991, he was elected into the Hockey Hall of Fame.

A graduate of McMaster University, Pulford is also credited with bringing more respect to hockey in the United States. As Head Coach of Team USA during the 1976 Canada Cup Games, he helped develop a team that played much better than expected. Although the team did not win a medal, he caused many to sit up and take notice of U.S. Hockey for the first time. In the 1991 Canada Cup series he served as Co-General Manager for Team USA.

"Pully," as he is often called, his wife Roslyn, and their three children - Rob, Lindsay, and Jennifer - reside in the northern suburbs. When he's not involved with hockey, he can be found there restoring old automobiles, a long-time hobby. Golf and fishing are the others.

Mike Keenan

GENERAL MANAGER

Prepare for game number eighty-one. Mike Keenan did that and his 1991-92 Blackhawks responded by making their first Stanley Cup Finals appearance in 19 years. Battling for Lord Stanley's chalice is nothing new to Mike Keenan. He has contested for it three times. In both 1984-85 and 1986-87, Keenan brought the Philadelphia Flyers a Patrick Division Title, a Wales Conference Championship, and a berth into the Stanley Cup Finals. In 1986-87, the Flyers took the Edmonton Oilers to a seventh and deciding game, only to lose 3-1.

Keenan-coached teams have shone during the regular season as well. The 1990-91 Blackhawks finished the regular season with 106 points and captured the Presidents' Trophy as the NHL team with best regular season record. It was the first-ever Presidents' Trophy for the Blackhawks, but the second time a Keenan-coached team has finished with the most regular season points. His 1984-85 Flyers recorded an astounding 53 wins and 113 points on their way to the league's best record.

In June of this year, Mike Keenan decided to step away from his coaching duties and dedicate himself fully to the ever increasing business responsibilities as General Manager of the Chicago Blackhawks. Now that he is no longer burdened with the demands of a Head Coach, a Keenan-influence will be even more prevalent in the crucial business decisions made by the Chicago Blackhawks in the 1990's.

Keenan originally joined the Blackhawks on June 9, 1988. As Blackhawk Head Coach, Keenan won regular season Norris Division Titles in the 1989-90 and 1990-91 seasons. Both his 1988-89 and 1989-90 teams reached the Campbell Conference Finals before losing to the eventual Stanley Cup Champions.

Prior to coming to the Blackhawks, Keenan spent four successful years as head coach of the Philadelphia Flyers and notched a 190-102-28 record. During his time in Philadelphia, Keenan became the first coach in National Hockey League history to win 40 or more games in each of his first three years of coaching. His teams won Patrick Division Titles in three of the four years he spent in Philadelphia.

Keenan has earned his share of personal awards as well. Following the 1990-91 season, Keenan was chosen the Hockey News NHL Coach of the Year. In 1985, Keenan was awarded the Jack Adams Trophy as NHL Coach of the Year for his work in Philadelphia.

Mike Keenan has kept Canada on top of the hockey world by winning his second consecutive Canada Cup. In the summer of 1991, Keenan and Team Canada defeated Team USA to win the Canada Cup Championship. In 1987, a Keenan-led Team Canada defeated the Soviet Union 2-1 in a most dramatic three game series.

The honor of coaching the NHL All-Star Team has been bestowed upon Keenan twice. In 1986, his Wales Conference team defeated the Campbell Conference 4-3 at the Hartford Civic Center. Again in 1988, his Wales Conference team won 6-5, this time at St. Louis Arena.

A former captain of the hockey team at St. Lawrence University, Keenan began his hockey coaching career at the Junior B level. He won back-to-back championships in the Metro Toronto League. After leading the OHL's Peterborough Petes to the Memorial Cup Finals in 1980, he joined the AHL's Rochester Americans, carrying that team to a 1982-83 Calder Cup Title. Keenan moved again and won the 1983-84 CIAU Canadian College Championship with the University of Toronto. Such consistent success is attributed to his being completely focused behind the bench and maintaining a high level of concentration during a game.

Keenan graduated from St. Lawrence University with Bachelor of Science in Physical Education. Much has been made of his musical career as an undergrad there. He later received his Master's in Education from the University of Toronto.

A resident of the northern suburbs, Keenan was born October 21, 1949. He and his wife Rita have one daughter, Gayla, age 14.

Jack Davison

ASSISTANT GENERAL MANAGER

Having played or coached at every level of hockey, Jack Davison is one of the most respected judges of talent among NHL executives. In his 33 years as a member of the Chicago Blackhawk organization, Jack's knowledge of hockey has been invaluable in bringing excellent young talent to the club.

One of the reasons Davison has such an eye for good talent is his own athleticism. As a young man, Jack had a baseball tryout as a first baseman in the Braves' organization; he preferred hockey. To this day he is an excellent golfer, having played on the pro circuit.

Davison's prime responsibility lies with player personnel. He works closely with Bob Murray in coordinating Blackhawk scouting efforts, and he directs Chicago's participation in the NHL entry draft each summer. To accomplish this, he works closely with the Scouting Department to make sure every level of play is investigated and every possible prospect is evaluated. Sometimes he has seen as many as three games on a given day. All this work and preparation has produced dividends as the Blackhawks are among the league leaders in developing draft choices and bringing them into the NHL. Listed among recent successful first round choices: Jimmy Waite, Dave Manson, and Jeremy Roenick. His travels have enabled the Blackhawks to make headway in the recruitment of European players. Attending the 1992 Olympics in France afforded him the opportunity to view players from every major hockey country in the world.

Jack maintains his headquarters in Toronto, although he spends a large amount of time in Chicago during the hockey season. This permits him to see the many prospects playing junior hockey in Canada and in the East while still remaining an integral part of evaluations in Chicago.

Jack and his wife Isobel reside in Toronto. They have three children: Kathy, Susan, and Kerry.

Bob Murray

DIRECTOR OF PLAYER PERSONNEL

Bob Murray spent his entire NHL playing career with the Chicago Blackhawks. "Murph" was acquired in the 1974 draft and played 1008 games in a Hawk uniform, only the fourth Hawk player to reach the 1000-game mark. In the 1990 Playoffs, he became the first player in Blackhawk history to play in over 100 playoff games. He ranks first among All-Time Blackhawk Defensemen in games played, second among All-Time Blackhawk Defensemen in career points with 514. Bob Murray scored 132 goals (24th overall), 382 assists (8th overall), totalling 514 (11th overall) throughout his 15 year career. He also recorded one assist in two All-Star appearances: 1981 and 1983.

Murray's playing career was marked by tremendous skill, endurance and determination. His hard work and preparation were well noted by the organization. Also visible behind the scenes were his organization and management skills. All these traits convinced the Blackhawks to sign Murray as a Pro Scout for the club in 1990. The following year he was appointed Director of Player Personnel.

In conjunction with GM Mike Keenan, Assistant GM Jack Davison, and Senior VP Bob Pulford, Murray evaluates all levels of player ability as it effects movement within the organization, trades, and the entry draft. Murray continues to scout individual amateur players and to coordinate Blackhawk scouting in North America and Europe.

Bob and his wife Patty have three children, Kevin, Amanda, and Andrew. They make their home in the northwest suburbs. When not working, Murray relaxes with a few rounds of golf.

Darryl Sutter

HEAD COACH

One of the more remarkable brothers in a remarkable family, Darryl Sutter became Head Coach of the Chicago Blackhawks at the conclusion of the 1991-92 season (his brother Brian having served as Head Coach of St. Louis and is now in that position with Boston). Darryl is the 29th coach in the 66 year history of the Chicago Blackhawks.

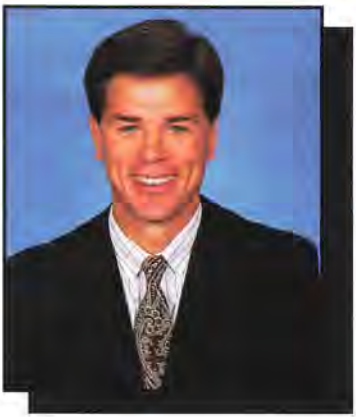
The intensity and drive which mark the Sutter family are easily found in Darryl. He was not a high draft pick by the Blackhawks in 1978 (11th round, 179th overall), but he fought the odds and made the team. After playing one season in Japan, Darryl saw his first NHL action in the 1979-80 season with eight regular season games and seven playoff games. In 1980-81, his first full NHL season, he scored 40 goals in 76 games. He was a force on the power play, stationing himself near the net and doing whatever was needed to score.

Becoming team captain in 1982-83, Sutter led by example, scoring 161 goals in 406 games and adding 118 assists for 279 points (29th on All-Time Blackhawk List). He was forced to retire from active play due to a series of injuries that hindered his performance on the ice. Darryl ranks 8th among All-Time Blackhawk playoff goal scorers with 24. He holds or shares two Blackhawk playoff records: most goals in one playoff year with 12 (1984-85) and most overtime goals in one playoff series with 2 (against Minnesota 1984-85).

Remaining in the organization, in 1987-88 Darryl Sutter became the Assistant Coach of the Blackhawks. The following year he became Head Coach of the Saginaw Hawks, Chicago's minor league affiliate in the International Hockey League, leading them to a second place finish in the East Division of the IHL with 102 points. When the Hawks moved their minor league affiliation to Indianapolis in 1989-90, Darryl moved too. With Darryl as Head Coach, the Indianapolis Ice finished first in its division, second over-all in the IHL with 114 points. The team went on to win the Turner Cup, and Darryl Sutter won the Commissioner's Trophy as Coach of the Year. In two years as Head Coach in the IHL he built a regular season record of 99-47-18 and a playoff record of 16-4.

Sutter returned to the Blackhawks as Associate Coach to Mike Keenan for the 1990-91 season. After two seasons in that capacity, he now has his first opportunity to perform as Head Coach in the NHL.

Darryl, his wife Wanda, and their two children, Jessica and Brett, reside in the western suburbs. They return to Viking, Alberta to join the Sutter clan whenever time permits.



Rich Preston

ASSISTANT COACH

Rich Preston played professional hockey in both the National Hockey League and the World Hockey Association. He broke in with the Houston Aeros of the WHA and played four years there on right wing. His teammates there included the legendary Gordie Howe and his two sons. He then joined the WHA's Winnipeg Jets for one season. The Blackhawks claimed Preston from Winnipeg in the Expansion Draft in June 1979.

Preston spent five seasons with the Blackhawks, playing on the famed R.P.M. line with Terry Ruskowski and Grant Mulvey. Recognized as an outstanding penalty killer, Preston was traded to New Jersey along with Don Dietrich for Bob MacMillan and a draft pick. After two years with the Devils, Preston again signed with the Hawks as a free agent for the 1986-87 season, his last as a player.

As a player, Rich Preston garnered everyone's respect by coming to the rink prepared, by helping younger players cope with the grind of an NHL season, and by playing tough, intelligent hockey. Such assets made an impression on the Blackhawk organization, and on July 24, 1991, Mike Keenan named Preston Assistant Coach of the Chicago Blackhawks.

Preston, his wife Laura, and their three children - Troy, Lucas, and Thomas - live in the northern suburbs. In addition to his coaching position, Preston is an active member of the Chicago Blackhawk Alumni Association.

Paul Baxter

ASSISTANT COACH

New to the Blackhawk organization, Paul Baxter joins the club as Assistant Coach after having spent the last three seasons as Assistant Coach of the Calgary Flames.

Baxter began his professional hockey career with Cleveland in the WHA during the 1974-75 season. After two years with Cleveland, he went to Quebec in 1976-77. He joined the NHL in the 1979-80 season when Quebec was absorbed into the NHL from the WHA. He had originally been the third choice of the Pittsburgh Penguins (49th overall) in the 1975 Amateur Draft.

Pittsburgh signed Baxter as a free agent in August 1980, and he played there for three seasons. He then signed as a free agent with the Calgary Flames in September 1983. He remained with the Flames for four seasons and was a player/assistant coach in 1986-87. Baxter became the Head Coach for the Flames' minor league affiliate in Salt Lake City of the IHL the following year.

In his first year as Head Coach, Baxter led the Salt Lake Golden Eagles to the Turner Cup Championship. The next season, 1988-89, his team set a franchise record when it posted 116 points, winning 56 of 82 games and advancing to the Turner Cup Finals before losing to Muskegon. In his two seasons as Head Coach at Salt Lake City, Baxter's teams compiled a record of 96-56-12 for a .622 winning percentage. Both seasons found him coaching against Darryl Sutter in the IHL when Darryl was Head Coach at Saginaw and then Indianapolis. Baxter said, "Darryl is a tough competitor. We got to know each other pretty well from our days together in the IHL. The main thing we have in common is that we both hate to lose."

Baxter's success at Salt Lake City brought him back to the parent club in Calgary in 1989. Now he looks forward to helping the Chicago Blackhawks maintain their rich tradition and win the Stanley Cup.

Paul Baxter and his wife Julie have four children: Nicole 13, Marcus 10, Laura 9, and Emily 2.

Vladislav Tretiak

GOALTENDER COACH

Vladislav Tretiak became the goaltender coach and consultant for the Chicago Blackhawks prior to the 1990-91 hockey season. When questioned about a possible problem in communication, since he is not fluent in English, Tretiak responded: "Goaltenders speak a universal language." If judged by the Hawks' improved goals-against averages these last years, his advice, suggestions and shared experiences have been well received.

Tretiak first came to the attention of the American public while goaltending for the Soviet Union National Team in the 1972 Winter Olympics during their Gold Medal winning performance. He and they won the Gold Medal again in 1976 and in 1984. They took the Silver Medal in 1980. In 19 Olympic games Tretiak allowed 33 goals for a 1.74 goals-against average.

Tretiak played on a record 13 Soviet League Championships as the goaltender for the Red Army. He won 10 World Championship Gold Medals. He was selected Soviet Player of the Year five times. Tretiak was Winner of the Gold Stick as outstanding European player three times.

His first games against the National Hockey League occurred in the September 1972 series between the Soviet Union and Team Canada. Four Canadian cities and an awed television audience were witness to Russian hockey for the first time in this series. Then and in succeeding years, in 11 Canada Cup games he allowed 22 goals for a 2.00 goals-against average. Tretiak was drafted by the Montreal Canadiens in the 1983 entry draft (138th overall), but his release to Canada and the NHL was vetoed by the Soviet Ice Hockey Federation at that time.

He retired from active play in 1984. Since then, he has authored several books including an autobiography, *Tretiak, The Legend.*

In recognition of his tremendous playing ability and his many contributions to the sport of hockey on an international level, in 1989 Vladislav Tretiak was given the honor of being the first Soviet born player to be inducted into the Hockey Hall of Fame.

Vladislav Tretiak was born April 25, 1952, in Dmitrovo, a suburb of Moscow. He was 11 when he played his first hockey game, and at 17 he was appointed to the powerful Central Red Army Team. He has a wife, Tatiana, and two children: Dmitri and Irina. He lives in Moscow and is still a Lieutenant Colonel in the Soviet Army.

Pat Foley and Dale Tallon

The tandem of Pat Foley and Dale Tallon return to the broadcast booth this season to bring Blackhawk fans all the exciting hockey action on SportsChannel and WLUP – AM 1000.

Entering his 13th year at the microphone for the Chicago Blackhawks, Pat Foley has truly established himself on the hockey scene with a contagious enthusiasm that has become his trademark. Pat, 38, was born and raised in the northern suburbs where the family business, Foley Motor Sales of Wilmette, was founded over 50 years ago. Along with all young Chicago fans, Pat remembers listening to his alltime favorite announcer, Lloyd Pettit, who was the "voice" of the Blackhawks for many years. Foley gained broadcasting experience first, at Michigan State University with the baseball and hockey teams, and later hooked up with the Grand Rapid Owls of the International Hockey League. It was Hawks' V.P. Michael Wirtz who first heard Foley's Owls tapes and recommended Pat for the job with the Blackhawks. Foley has taken that opportunity and really created a name for himself in Chicago. Pat's pasttimes include golf & softball. He is single and makes his home in Glenview.

Dale Tallon begins his 11th year handling color analysis for the Chicago Blackhawks' broadcasts. Dale's keen insight and descriptive style is a true asset to the programs for both listeners and viewers alike. Part of that knowledge and ability comes from his personal experience of the game as a 10 year NHL veteran. Dale was the Vancouver Canuck's number one selection and the second player chosen overall in the 1970 draft and came to the Hawks in 1973 when Jerry Korab and Gary Smith were traded to Vancouver. After 5 years with Chicago, Tallon finished his playing career with Pittsburgh following the 1979-80 season. Dale's easy-going nature and wry sense of humor spill over into the broadcasts. His own enjoyment of the game and what he is doing is part of the chemistry between Tallon and Foley, as they have quickly become one of the most enjoyable pairs in the NHL. If time would permit it, Dale would commute from Southeast Florida to do the Hawks' broadcasts. The climate and the golf in that area are part of his lifeblood these days and he spends as much free time as possible enjoying both. Dale and his lovely wife, Meg, are the proud parents of two daughters; Lauren 5 and Kristen 3.

Chicago Stadium – "It Feels Like Hockey"

Among NHL arenas, the Chicago Stadium stands alone.

It stands alone, literally. The Blackhawks' home rink is surrounded by acres of parking lots. It stands alone in other ways, too. No other NHL arena rocks like the 63-year-old structure.

Chicago Stadium is, simply, the loudest arena in the NHL and possibly in all of North America.

You can talk about the mystique of the Montreal Forum, the tradition of Maple Leaf Gardens, the glamour of Madison Square Garden, but nobody can steal the Stadium's thunder. Night after night, you feel the noise.

It's a place where a playoff frenzy can erupt at any given time, during any game, for any opponent during the regular season. Fans routinely start cheering during the national anthem. They build to a crescendo to launch the Blackhawks from the opening face-off. At any given moment in the Stadium, it is often louder than in other NHL arenas when the home team scores.

The voices get a boost from a Barton Organ which has pipes built into the structure's rafters. Supposedly, at a full volume, the organ will equal the sound of 25 brass bands. At full volume, the organ would also shatter every piece of glass in the building.

The very design of the Stadium traps and amplifies sound. Although over 17,000 people can crowd into the facility for a hockey game, the building dimensions are compact. None of the outer walls of the arena are more than 100 feet from the ice. Above the main floor seats are two steep balconies, so fans literally are stacked on top of each other.

The Stadium even feels like a great arena when it's empty. It is, admittedly, an antique. It opened on March 28, 1929 for a light-heavyweight boxing match. The Blackhawks, who started in the now destroyed Chicago Coliseum, played their first game in the building on December 15 that same year.

Vintage electric signs hand from the ceilings in the lobbies and point-out seating sections. Press boxes were added as an afterthought. Chicago has the only main press box which is suspended at the end of the rink. Occasionally, deflected pucks crash-in, assuring that most journalists will not sleep through a game.

Although the facility at 1800 West Madison Street is an antique, the Stadium is kept in mint condition. Modernized washrooms are clean, at least at the start of every game. The main lobby which rings the building is bright and dotted with new remodeled concession stands.

Seemingly, the Stadium has always been associated with the late Arthur M. Wirtz and his family. However, a key original investor in the building was James Norris, founder of the Detroit Red Wings. But the building didn't begin to prosper as an entertainment hub until 1934, when it was purchased by Wirtz. The building, along with the Blackhawks, remains in the control of his family, headed by NHL Chairman Bill Wirtz.

The Stadium may be the NHL's most electric arena, but it has hosted more than hockey games. Although banners commemorating the retirement of Stan Mikita's #21, Bobby Hull's #9, Glenn Hall's #1, and Tony Esposito's #35 hang from the rafters, the list of luminaries who have come through it rivals any facility in North America.

Staying on the ice, the Stadium was the home base for Sonja Henie and the Hollywood Ice Revue. Frank Sinatra, Bing Crosby, Bob Hope and Elvis Presley all performed there, as have national conventions of both the Republican and Democratic parties. The Stadium was also the site of the NFL's 1932 championship game. Played indoors because of weather on an 80-yard field, the Bears beat Portsmouth, 9-0. In addition to the Hawks, it is currently the home of the NBA Bulls.

The Stadium provides a fine atmosphere for its current basketball tenant. But for its hockey tenant and hockey fans, the Chicago Stadium provides a one-of-a-kind atmosphere...one you can feel.

SCHEDULE:

Each of the 24 teams will play an 84-game schedule. Teams will play 35 games against each divisional opponent (seven vs. each team), 21 games against teams in the other division within the same conference (either three or four games vs. each team), and 24 games against teams in the other conference (two vs. each team). That totals 80 games. As part of the new Collective Bargaining Agreement, four additional games were added. In 1992-93 teams will play two additional games against a single rival within their division, one at home and one in the rival's building; the first place team from 1991-92 will play the second place team, the third will play the fourth, and the fifth will play the sixth or the new expansion team. Also in 1992-93, teams will play two regular season games in venues outside of NHL arenas against non-divisional opponents. This season, all 24 of those games will be played in North America.

STANLEY CUP PLAYOFFS:

At the conclusion of the regular schedule, the top four finishers in each of the four divisions will qualify for the Stanley Cup Playoffs.

The division semi-finals will have the first place club oppose the fourth place club and the second versus third in a best-of-seven series. The winners of each series will play a best-of-seven division final series with the team gaining higher standing during the regular season holding home-ice advantage.

The four divisional winners will meet in a best-of-seven Conference Championship Series. The Smythe Division winner will face the Norris Division winner while the Patrick Division winner will meet the Adams Division winner. The Conference winners will meet in a best-of-seven final series for the Stanley Cup.

Home-ice advantage for the Conference Championships and the Stanley Cup Finals will be determined by the team that had the most points during regular season play.

Media Information

PRESS BOX: The main press box is located on the west end of the Stadium. This box is reserved for game personnel, writers, and various non play-by-play radio personnel. There is also an auxiliary press box which is located above the second balcony on the south side of the Stadium.

SEASON CREDENTIALS: Those media receiving season credentials will be contacted in advance of training camp by mail. As we have done for the past six seasons, those media members will be asked to stop in the Blackhawk office where a credential picture, similar to your driver's license, will be taken. Season credentials will only be issued to those members of the media who cover the Blackahwks on a regular basis.

INDIVIDUAL GAME CREDENTIALS: Individual game passes will be issued, depending upon availability, to those accredited members of the media by contacting Jim De Maria, Tom Finks, or Barbara Davidson a minimum of 48 hours in advance. Due to the lack of space, credentials will be issued on a first come first serve basis.

MEDIA LOUNGE: The media lounge is located in the basement of the Stadium between the visiting and Blackhawk dressing rooms. The press meal will be served in this area prior to every Blackhawk home game.

PRESS NOTES: A complete set of press notes will be provided to all members of the media upon their arrival at the press lounge. Notes will also be provided in the main and auxiliary press boxes.

PRESS GATE: Gate 3 1/2, the press entrance, is located on the west side of the Stadium on Wolcott Street. Game night media will be able to pick up their credentials at the press gate on game nights.

PHOTOGRAPHERS: Photographers must shoot from designated areas assigned by the Blackhawk team photographer. Photo credentials may be obtained by calling the Blackhawk Public Relations Department at least 48 hours in advance. Photographers will meet with the Blackhawk team photographer approximately one hour before the game to arrange for their space assignments.

LOCKER ROOMS: The Chicago Blackhawk locker room is located at the east end of the Stadium while the visiting locker room is located at the west end of the Stadium on the basement level.

PRACTICES: Most Blackhawk practices take place at Chicago Stadium. However, there are times when the team will practice at the University of Illinois practice facility. Please contact the Blackhawk Public Relations Department to confirm all practice times and locations.

PLAYER/COACHES AVAILABILITY: The media will have access to the Chicago Blackhawk locker room prior to and after all practices and games unless otherwise specified by the public relations department. Prior to practices, the media will be asked to leave when players begin their stretching exercises in preparation for practice. The room will re-open following the practice session. The same rules will apply on game day skates. On game days/nights, the locker room will be open up until two hours before the game, i.e. 5:30 p.m. on game nights and 11:30 a.m. on game days.

NOTE: Television crews are asked to send a reporter inside the locker room before practices and games and bring the player outside the locker room area to conduct their interviews so as not to disturb the normal game preparation. Crews **will** be allowed to enter the locker room after all practices and games. Also, all requests for live shots and between period guests on game nights must be given to the public relations department at the morning skate or they will not be accomodated.

AREAS OFF-LIMITS: Media will not be permitted in the trainers room, the weight room, or the coaches office.

BETWEEN PERIOD INTERVIEWS: All between period interview requests must be made no later than at the morning skate and are all subject to the approval of the coaching staff. Requests coming after the morning skate will not be honored.

PUBLIC RELATIONS NOTE: The Chicago Blackhawks appreciate the coverage that you give us. With that in mind, we urge you to contact our public relations department if there is anything we can do to be of further assistance.
